(We will provide forms and assist in completing them)

Import Regulations

Importing household goods to Mexico is generally customs free

- Mexican citizens must have their inventory list (in Spanish) indorsed and stamped by the Mexican consulate in the origin country
- Brand, model and serial number of electrical appliances must be written on the Inventory
- Importing pets is possible but they are subject to duties and require some extra documents

Prohibited Items

- Cars (for Mexican citizens and permanent residents)
- Plants, foodstuff, alcoholic beverages, medicine, weapons and explosives

Cars and motor vehicles

Importing a motor vehicle to Mexico is only possible temporarily/for temporary residents. The required documents are:

- Purchase invoice
- Car and driver's license
- International credit card
- Authorization letter to agent
