
ALCOHOL INVENTORY

FOR ALCOHOL IN HOUSEHOLD GOOD SHIPMENT

If you intend to include alcoholic beverages in your household goods shipment, please make absolutely sure that importing alcohol in your destination country is legal.

If it is permitted, you **MUST** meet the requirements and declare all alcohol without exception.

Type (red/ white wine, gin, etc.)	Name of spirit, wine or winery	Country of origin and year	Quantity in liter	Alcohol content in %	Value per bottle

(Date)

(Signature)
